

PornFunk Equipment

On Stage

Here is a list of the equipment the band will bring for any stage performance.

- Pearl 5 piece drum kit (fully mic'd, or kick drum only)
- Hartke 4x10" cabinet with Hartke 3500 head
- Marshall JCM 2000 guitar amp
- Boss GT-6B Multi-effects pedal board
- Boss GT-8 Multi-effects pedal board
- TC Helicon Voicetone series
- Personal voice monitor (mic stand integrated) on lead vocal microphone.

Band PA

Here is a list of equipment the band will bring if the house is not equipped with a PA. Please let us know if this is applicable.

- Roland VS-2480 (Sound board)
- 18u Stage Rack with drum sub mixer, EQ, 800W main power amp, and 400w monitor power amp.
- 4 piece LED light show consisting of par-36 sized cans, on a 12' tree (less than 60 watts power requirement).
- 75' (16) channel snake
- Dedicated sound man
